Mammogram Voucher Program (MVP)

The **Mammogram Voucher Program** provides **mammograms and follow-up diagnostic services** to women and men who are uninsured or who have insurance with high co-pays or deductibles that present a hardship.

The Mammogram Voucher Program provides the following breast cancer screening services:

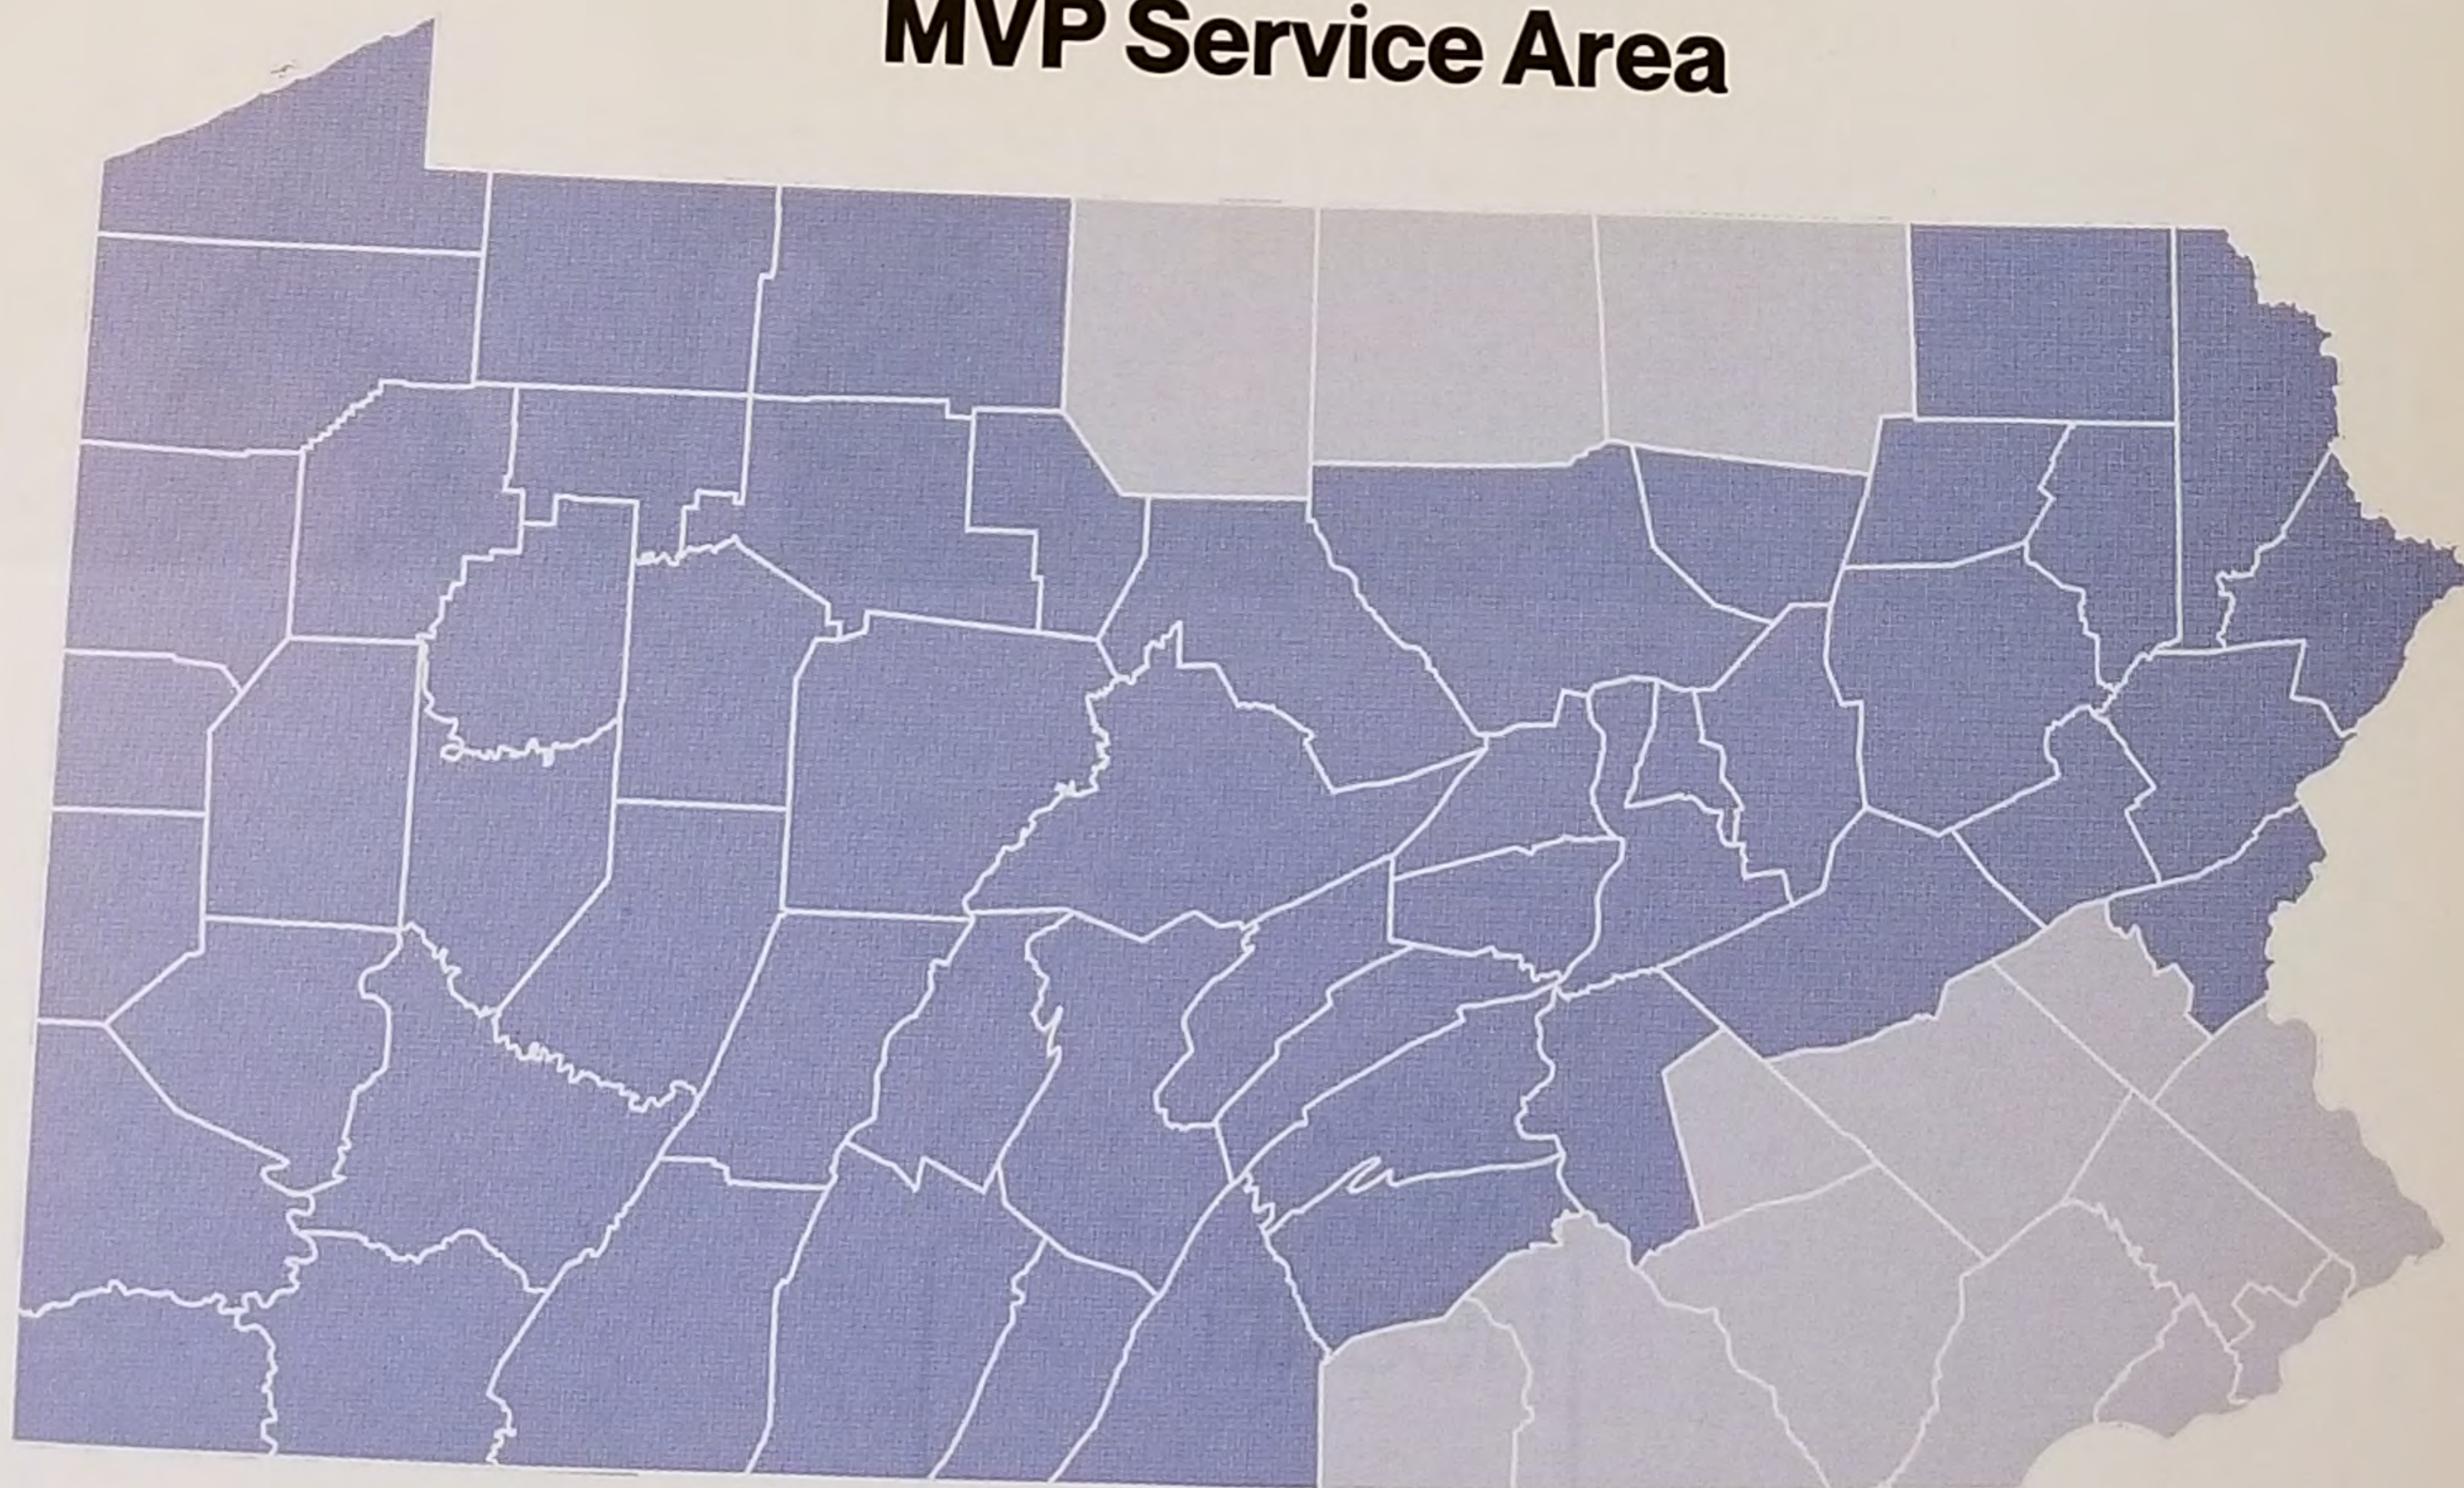

- Screening and diagnostic mammograms
- 3D mammograms
- Breast ultrasounds
- Breast biopsies

Early detection saves lives.

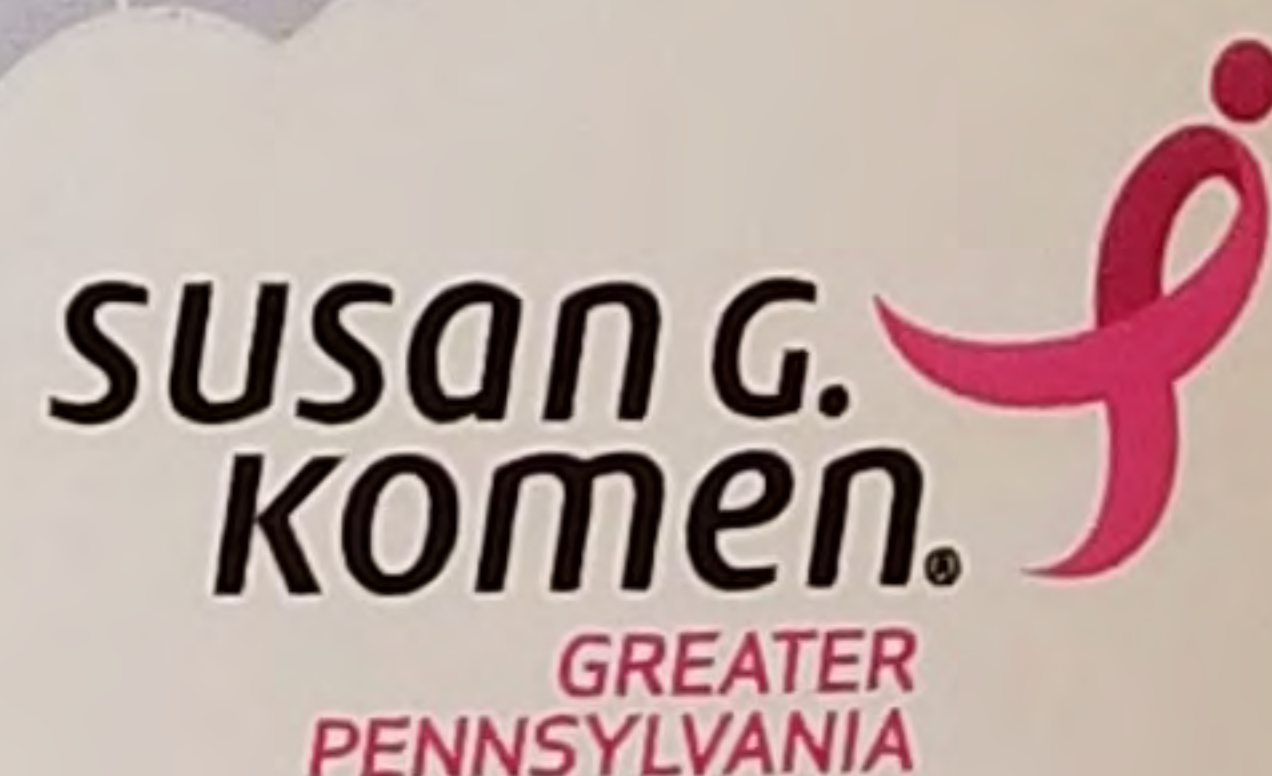

It's recommended that women who are at average risk for breast cancer receive a mammogram each year beginning at age 40.

To see if you qualify, call: 1-888-MVP-0505
